## CHAPTER - I

### ORGANISATIONAL PROFILE OF JANAMUKTI ANUSTHAN

#### I. Introduction and Brief History of the organization:

To overcome the emerging issues like poverty, drought and chronic hunger of the district some youths and victimized group came to the front and formed the organization called Janamukti Anusthan (JMA). It is a non-Government Organization established in 1996-97 and started its work with the deprived and socio-economically vulnerable communities from some villages of Muribahal block. Whereas, gradually the organization started working in different blocks of Balangir district for upliftment of the women, schedule tribes, schedule caste, landless, small and marginal farmers, old and physically challenged groups. It's a membership-based organization. More than 10000 members directly associated with the organization. Most of them belong to the marginal sections and they work for their village as well as the area. The core focus of JMA has been checking distress migration in socio economically vulnerable blocks under Bolangir district. Some of the key strategies adopted by the organization are Employment Generation for reducing distress migration, Intervening to check food crisis hunger and related problems, Checking distress selling of agriculture produce and to develop proper marketing system, Protection, collection, processing and marketing of the forest produce, Organizing the unorganized laborers through the labour society and to ensure employment for them, Creating irrigation infrastructures and renovating the

traditional water bodies for agriculture purpose, Facilitating at grassroots level to create Climate Resilient Infrastructures(CRIs) and livelihoods practices in climatic vulnerable blocks through government programmes and schemes, mitigating disaster through the collaborative approach. JMA has partnered with Govt. projects, projects by donors and established linkages with Govt. departments and PRIs to reduce distress migration in Muribahal and adjoining migration prone and drought prone blocks by linking migrant families with Govt. programmes and schemes, land development and creation of irrigation infrastructures under MGNREGS for migrant families and assisting them to improve farm productivity and market linkages.

#### II. Contact Details of the Organization:

- **Name of the organization:**  
Janamukti Anusthan
- **Office address:** At-Bhoipada, Po-Goimund, Via-Bangomunda, Dist- Balangir, Odisha (India), 767040.
- **Email:**janamuktianusthan@yahoo.com
- **Website:** www.janamuktianusthan.org
- **Name of the Chief functionary:**  
Bhajaram Sahu, Secretary  
Email:bhajaram\_sahu@yahoo.com  
Cell ph. no. 9937534994
- **Year of establishment:** 1996 – 97

### III. Legal Status of the Organization

- Registered under society Registration Act 1860 of XXI, Reg. No. - 5031-318 dated 9<sup>th</sup> March, 1999-2000.
- **12A (Form No.10AC)** Unique Registration Number: **AABAJ4834FE201481**, 1-Sub clause (i) of clause (ac) of sub -section (1) of section 12A, Date of approval 24-09-2021.
- **80G (Form No.10AC)** Unique Registration Number: **AABAJ4834FF 20211**, 11-Clause (i) of first proviso to sub-section (5) of section 80G, Date of approval 24-09-2021.
- FCRA registration No. **104840103** dated 17th February, 2014, Date of Renewal: 18-01-2019.
- PAN NO. **AABAJ4834F**

- Unique ID No. (NGO Partnership System Govt. of India: **OR/2017/0118289**
- CSRMCA, Government of India, Registration No- **CSR000/3018**, dated 11<sup>th</sup> August 2021.

### IV. Mission and Vision: *"Integrated development of the poor and marginalized section of the society"*.

#### V. Objectives:

- To assist the people of this area particularly to the weaker section for their socio, political and economic upliftment.
- To enable the people to be aware of the various Govt. schemes meant for them and assist the people and government for their effective implementation.
- To organize the people for the development of this area through meetings, conference and cultural activities.

- To build awareness among the people about the exploitation and operation prevailing in the society and take necessary action for its eradication.
- To build awareness among the people reforms the social evils.
- To build awareness among the peoples for protection and growth of the forest and to assist the government for this and to take necessary steps for harvesting water for irrigation by arranging small streams and other water resources in the area.

#### VI. Adopted strategies:

- Employment Generation for reducing distress migration.
- Intervening to check food crisis hunger and related problems.
- Checking distress selling of agriculture productions and to develop proper marketing system.
- Protection, collection, processing and marketing of the forest products.
- Organizing the unorganized labourers through the labour society and to ensure employment for them.
- Developing agricultural land for better production of crops.
- Creating irrigation infrastructures and renovating the traditional water bodies for agriculture purpose.
- Eradicating poverty and enhancing sustainable livelihoods of the marginalized sections.
- Facilitating at grassroots level to create Climate Resilient Infrastructures and livelihoods practices in climatic vulnerable blocks through the different government schemes and programmes.
- Mitigating disaster through the collaborative approach.

**VII. Target groups:** Small and marginal farmers, landless, Homeless, widow headed disabled, agriculture labor and unorganized labor, Migrant, bonded and child labor.

#### **VIII. Some core Issues of the area**

- Frequent Drought (1899,1965,1996,2000,2001,2003,2006,2011,2015,2016,2017,2018,2019,2020,)
- Annual rainfall 1200 – 1300 mm; but happens erratic rainfall
- Under spotlight many times for starvation cases
- Hilly sloppy and upland with low ground level water potential
- Large scale distress Migration to other state a regular phenomenon, majority, small, marginal farmers and landless labourers
- Indebtedness, Migrant bonded labour and child labour
- Covid-19 Pandemic
- Lack of access of collective services and profitable markets by small and marginal farmers.

#### **IX. Major activities undertaken**

- Integrated Natural Resource Management (INRM).
- Migrant Labour's Right.
- Forest Right and forest protection.
- Women Empowerment.
- Education for Migrant and Bonded Labour Children.
- Promotion of Producer Groups and Producer Company
- Collective farming and marketing through Producer Groups and Producer Company
- Creation of irrigation infrastructure
- Organic farming
- Promotion of improved livestock rearing
- Rescue and rehabilitation of migrant Labour

- Facilitating for better implementation of MGNREGA-NRLM convergence strategies through Cluster Facilitation team(CFT)
- Convergence initiatives towards enhancement of livelihood of most marginalized sections under the People Action in Development (PAID) programme.
- "Quick –Win" intervention/Climate change
- Sustainable Livelihoods and MGNREGA
- Infrastructure for Climate Resilient Growth(ICRG)
- GO-NGO Partnership Programme to arrest distress migrations
- Responding Covid-19 pandemic through relief activities and supporting in vaccination drive programme.
- Restoration of livelihood of migrant families.
- Ensuring sustainable livelihoods through entrepreneurship development and protection of climate.

#### **X. Major Achievements of the Organization:**

Janamukti Anusthan has been working for the development of most marginalized section building relation with Govt. and non-Govt. agencies. In the juncture, the organization reached to the unreached remote tribal village areas and started work on managing and arresting distress migration and bonded labour through the employment generation programme. Checking dropout rate in elementary level of school children of migrant families, the organization ran 25 no's of Residential Care Centre (RCC) in year 2005-2006 and 2006-2007 in highly migration prone area of Muribahal block getting financial support from Sarva Shikshya Abhiyan under OPEPA, Government of Odisha. Besides these building capacities of School Management Committee

(SMCs), reintegration of migrant and bonded labours children, monitoring of Residential Care Centres /Seasonal Hostels, building awareness among the SMC members, parents and stake holders on Right to Education (RTE) activities are being undertaken as the focused activities of the organization. To expedite the initiative, the agency namely, Aide et Action through the Migrant and Bonded Labour Initiative (MBLI) supported the organization from year 2010-2013. Creation of water structures and responding drought became the most priority area of the organization because peoples of the area have been facing crop loss every year and they used to migrate due to the frequent drought. To overcome the situation the organization created durable asserts using technical team by the support of CARE- DFID and Gov of Odisha. Apart from this the organization positively thought about the implementation of the NREGA and in the initial phase (in Aug, 2006) the organization sent the representative to Samaj Pragati Sahayog, Dewas, MP. For the NREGA-Water shade training and after that the organization facilitated to the process at village/GP and blocks level and got positive result. To accelerate to the initiative of the organization Western Odisha NREGA Consortium (WONC) becomes assisted (in June, 2007 onwards) and in a collaborative approach the organization facilitated the GP level NREGA implementation process. Empowering to the GP level functionaries, SHGs, Cadres, formation and strengthening the Village level Job seekers committee, GP level and block level Jobseekers unions are the main focus activities of the project. Greening MGNREGA (UNDP –MoRD

supported programme was also very effective programme to create WHS though the water shade principles. Gram Sabha Shashakti Karan Karyakram (GSSK) was also the very innovative programme of PR department Gov. of Odisha. Our organization worked tremendously with the OMEGA-DFID team in Bangomunda block. At present the organization is working as a resource organization at block level to empower the different primary stake holders and institutions involving with the Block Public hearing committee and social audit process under MGNREGA.

In addition to that the organization is working as a block level resource organization to expedite the MGNREGA through the Cluster facilitation team (CFT) MoRD and PR department of Gov.of Odisha supported programme. Along with, the organization is working with the various line departments in a convergence approach for protecting Natural resources through the “Quick Win intervention” (DFID-SPS supported programme). The Intensive participatory Planning Exercise IPPE-I and IPPE-II is completed successfully by the facilitation of the Organization. The organization has lots of experiences on employment generation and reducing distress migration through the convergence programmes.

In November, 2015 onwards another valuable program i.e. People Action In Development (PAID) Supported by Bharat Rural Livelihoods (BRLF) had been started for enhancing livelihoods of 3000 poor and marginalized families under 04 Gram Panchayat of Muribahal block of Bolangir district. The program is meant for secure the livelihoods of unprivileged sections through the sustainable agriculture, building strong self-help structures and

convergence with different schemes and program of State & Central Govt. The project aims to reduce vulnerabilities associated with poverty and food and nutrition insecurity of poor people by adopting natural resource management and sustainable agricultural practices and involve in off farm income generation activities through convergence of MGNREGS & NRLM (through creation of NRM based durable assets at community and individual level will be created and provide sustainable income for the community. At the same time Self-help structures like women SHGs and its Federation, Farmer's clubs, Forest Management Committee and Job Seekers Committee is involved in their sustainable development. The planned measures will ensure minimum of 150 days employment, promote sustainable agriculture, improve the agriculture production, availability of food and reduces food and nutrition insecurity, malnutrition among women and children, indebtedness and migration of people.

Apart from this, to cope up the climate change issue, establish the climate resilient structures, adaptation and climate resilient livelihoods practices in bio-physically and socio-economically vulnerable area, the Infrastructure for Climate Resilient Growth (ICRG) intervention has been launched on 1<sup>st</sup> August, 2017 in no. of 4 most climatic vulnerable blocks of Balangir districts like: Gudvela, Saintala, Deogaon and Titilagarh with the supports of DFID- IPE Global Ltd & government of Odisha. As an ICRG partner organization, Janamukti Anusthan is facilitating to the process by deploying Block level facilitators in above mentioned blocks. The broader objective behind the intervention is to

expedite the Mahatma Gandhi NREGA and creating Climate Resilient asserts for this area through convergence with different schemes and program of government departments. On November 6<sup>th</sup> 2018, **Agriculture Production Cluster (APC)** project was launched by Honorable Chief Minister of Odisha, Shri Nabin Pattanaik. This is a project of Department of Agriculture and Farmer Empowerment, Govt. of Odisha in high land region of Odisha funded by Odisha Livelihood Mission of Panchayati Raj and Drinking water department, and APICOL in partnership with Bharat Rural Livelihoods Foundation (BRLF) and PRADAN with the objective of doubling the income of 3000 small and marginal farmers of 30 villages under 6 GPs of Muribahal block. The schemes available with Directorate of Horticulture, OAIC, OLC and relevant departments are being converged for creation of livelihood infrastructure required farmer in region.

In the month of December 2019, the project titled **"Arresting Distress Migration"** initiated in 11 GPs of Muribahal block with the support district administration. Strengthening Job Seeker committees, creating awareness among the migrant families, Preparation of village level INRM plan, demanding jobs, capacity building of Job seeker leaders, monitoring for ensuring timely wages payment under MGNREGA are the focus activities of the program.

JMA also has **Responded to Covid-19** by implementing relief works supported by BRLF, ICRG project supported by UNDP and **Restoration of livelihood program supported by** Individual donor namely, Mr. Trilok Chand Ghai and Family. Later on, with the support of Azim

Premji Foundation (Philanthropic Initiatives), the Organization has joined hand together with block administration in **Vaccination drive program** with the objective of ensuring cent percent vaccination coverage in Muribahal block. Livelihood support provided to migrant and vulnerable Households in Muribahal block with the **support of Bengal Finance & Investment Pvt Ltd** in Muribahal block. In August 2022, a project titled “**improving the self reliance and resilience of rural communities**” was launched for Muribahal, Saintala, Deogaon and Gudvela blocks of Balangir district with the support of Reliance Foundation.

#### **XI. Qualitative and quantitative achievements:**

- **Formation of CBO:** JMA has formed **165 Women Self Help Groups (SHG)** and these are working for the development of the village economy as well as women empowerment. Formed no. of **30 Farmer’s clubs in 30 villages** and they are practicing organic farming. Formed **52 no. of village level labour committees**, 7 GP level labour committees and block level labour committee in Muribahal Block to success the MGNREGA.
- **Irrigation:** Created no. of **60 water bodies** in different drought prone villages. Such are being used for irrigation as well as multipurpose.
- No. of 17 water bodies have been taken lease by the SHGs from different Gram Panchayats and these are using for fisheries.
- **Plantation:** Created no. of 5 patches plantation and these are protecting by the village comities. No. of **247 households have been provided fruit tree plantation in 264 acres** through the Directorate of Horticulture.
- Declared Ganrei GP as a Zero migration prone GP in 2004 for checking distress migration through the Onion cultivation and convergence with other livelihoods programme.
- By the continuous follow-up, there is no. of 125 families of 9 hamlet forest villages of Muribahal block who got land patta under FRA, 2006 and they have been able to establish there.
- No. of 273 bonded labours have been rescued with the support of Aide-et Action, Action Aid and International Justice Mission (IJM) from different brick kilns area. JMA had taken post release initiatives for complete rehabilitation, and through the process till January, 2015, no. of 227 persons of Muribahal, Bangomunda and Titilagarh block have received Rs.4508000 rehabilitation support from the Government. No. of 72 Micro Level Plan has been prepared and these are being used in concern villages as the development tools.
- No. of 27 MGNREGA and livelihood-based plan have been prepared 2 GPs of Muribahal Block and these are being used for the success of MGNREGA under the Greening MGNREGA Program.
- By the collaboration of Block administration of Muribahal, utilized near about Rs.5.26 lakhs (five Corers twenty-six lakhs) and provided 100 days of work for 1475 HHs. The block declared as best for 100 days work provider block under MGNREGA in Odisha for the financial year 2012-2013 and in the FY 2013-14 the block utilised 6.48 lakhs by providing 100 days work for 1875 HHs and 150 days work for 707 HHs. In the financial year 2015-16 the block generated 4,65000 person days by utilizing 12.56 corers rupees and achieved highest position in Bolangir District.

- Reduced 15 percent seasonal distress migration in highly migration GPs like Ichhapada and Gudighat where we closely facilitated the entire MGNREGA process. Due to the continuous efforts of block administration and our organisation, some village of Muribahal block declared as “zero” migration village such as kantadunguri, Hadhada, Kandakhal, podhmundi and kherat.
- No. of **20 Grain banks** have been created to meet immediate need during starvation.
- Under the Gram Sabha Shaktikaran Kram (GSSKK) no. of 33 MGNREGA Based Micro Level Plan has been prepared in Bangomunda Block.
- The MGNREGA-NRLM convergence programme through the Cluster facilitation (CFT) has been started in 61 villages under the 6 GPs of Muribahal block from 23<sup>rd</sup> July 2014.
- Through the Integrated Participatory Planning Exercise (IPPE-I and IPPE-II) No. of 61 MLPs have been prepared by the Cluster Facilitation Team in Muribahal block and these are presented in Pallisabha and Gram Sabha of Jan/Feb, 2015 and 2016 for the labour budget, 2015-16 and 2016-17.
- Replicated the Mahabandha (Rain water harvesting structure) project in Bijamal and Sukunipadar (Barbandh) village under the Quick-Win/Climate change intervention in year, 2016-17.
- Supported to no. of 40 marginal famers (ST category) for making Ring well under the BRLF/PAID project in year 2016-17 and 2017-18.
- **Onion storage structure:** Constructed 10 no's of Low- Cost Onion Structure (@ 25000/) for 10 no's of farmers in 4 BRLF/PAID project operational GPs of Muribahal block and **16 onion storage structure constructed** with the subsidy support of Horticulture.
- The agriculture Production cluster (APC) is a joint initiative of OLM, Agriculture dept, Horticulture Dept. APICOL, OLIC, OAIC, PRADAN, Bharat Rural Livelihoods Foundation and Janamukti Anusthan. It has taken 3012 HHs of 6 GPs under Muribahal Block. 23 PG and 1 PC have been formed in Muribahal block as per APC guidelines.
- The PC has been able to mobilize 2011 shares with share with an amount of Rs. 5.8083 lakhs. Total turnover of the PC Rs. 34.65.
- Under NPM, constructed 330 Bhu-NADEP through community contribution to prepare compost, selected 2 NPM AEs with start-up support who are preparing NPM products, 4 NPM cluster has been formed. As result 962 families have prepared Jevamruta, Ghanajeevamrita, Bijamruta, Agniastra, Neemastra, Mathstra and used in 677 acres of land.
- Completed 217 (cumulative 287) irrigation structures (Bore well, CRLP, MRLP, Farm pond, Dug well and Check Dam etc), through all complete structures 949.5 acres of irrigation potential has been created covering 859 households and 49 households have installed Micro Irrigation in 133 acres.
- 11 GPs of Muribahal Block have been under taken to arrest distress migrations in partnership with district administration, 85 no's of village level INRM plan has been prepared and incorporate in the MGNREGA labour budget.
- Promoted 13 intensive livestock PGs, 1421 household are under livestock rearing.
- **Leverage:** Government fund as leverage amount mobilised up to **Rs. 1700.618 lakhs.**

- **Sabjee Cooler:** Installation of **8 numbers of zero energy Sabjee Cooler** with 1 quintal storage capacity.
- **Seed Bank:** Promotion of seed bank of Desi Kabri Brinjal
- **Multi-layer farming:** Practiced with 42 families
- Provided support to 6 reverse migration families during covid-19 wave 1 under restoration of livelihood programme. No. of 4 Low-cost Goat sheds, 1 central Nursery and 1 Poultry Mother Unit constructed.
- 93 community as well as individual projected executed under Arrest Distress Migration during the FY 2021-22.
- **Covid 19 support:** Relief packets distributed 984 deprived, disabled person, migrant, landless, diseased, women headed, old age, widow, helpless and PDS excluded families with the support of APPI. No. of 380 families supported with input support in terms of vegetable seeds and chick.
- **Health awareness camp:** 11 health awareness camps conducted in collaboration with vaccination team of health department, where 782 people were distributed mask and sanitation kits.
- **Mask distribution:** 2850 MGNREGA workers were provided 3200 mask at the work place.
- **Covid vaccination camp:** Supported health department through additional vaccination team to increase the vaccination coverage. As result, 81 and 76 percent vaccination rate achieved among 18 years and above population group.
- **216 disabled and elderly** people reached to the vaccination camp through vehicle facility.
- **Under Bengal Finance and Investment Pvt. Ltd,** installed 1 Butcher Unit, 2 onion storage structure supported to 2 beneficiary and 11 goat shed supported to 11 livestock beneficiaries, 4 BYP shed supported to 4 beneficiaries, supported 1 beneficiary with tailor machine, supported 1 beneficiary with mobile grocery petty business, supported 1 beneficiary with grocery petty business, supported 1 SHG with oil processing unit, established 1 vegetable market outlet.
- **Under Reliance Foundation,** 25 safe drinking water structures constructed, 261 Nutri garden prepared, 175 hector area captured under improved production practice, 69 SHGs trained on diversified livelihood option, 83 SHGs facilitated with access to finance and 1438 individuals impacted with financial inclusion.

**XII. Approach of the organization:** Constructive, membership & Issue based.

**XIII. Infrastructure Facilities:** Having its own office building with necessary furniture, Computer systems, Inverter, PG & PC office at community level.

**XIV. Members of the Organization:**

Total Members with money receipt: 1074

General body members: 64

Total Executive members: 07

#### XV. Detail of the Executive members:

SL	Name	Designation	Address
1	Sri. Baikuntha Banchhor	President	At: Gambharikhola, Po/Via Muribahal, Dist: Balangir, Odisha, 767037
2	Smt. Tebha Sagria	Vice-President	At: Siletpada, Po: Ganrei, Via: Muribahal Dist: Balangir, Odisha, India, 767037

#### **XX. Staff structure of Janamukti Anusthan:**

## XXI. Relation and Networking with different agencies:

JMA has been keeping good relation with like-minded civil society organizations, funding agencies and Government agencies in both state and National level and by the cooperation of them it is working towards achievement of the broader objectives. They are like:

NREGA NATIONAL CONSORTIUM (NNC) & WESTERN ODISHA NREGA CONSORTIUM (WONC), WESTERN ODISHA MIGRATION NETWORK (WOMN), COLLECTIVE ACTION FOR DROUGHT MITIGATION IN BALANGIR (CADMB), CSO NETWORK ODISHA/COALITION FOR CHANGE IN ODISHA.

**GOVERNMENT AGENCY:** MINISTRY OF RURAL DEVELOPMENT GOVERNMENT OF INDIA (MoRD) MINISTRY OF PANCHAYATIRAJ AND DRINKING WATER GOVERNMENT OF ODISHA, SARVASIKHYAABHIYAN, OPEPA GOVT OF ODISHA, DIRECTORATE OF HORTICULTURE ODISHA, ODISHA LIVELIHOOD MISSION AND MISSION SHAKTI ODISHA.

**INGO/NGO/CSO/COMPANY:** DFID, SAMA JPRAGATI SAHAYOG (SPS) LOKADRUSTIKHARIAR, NUAPADA, IPE-GLOBAL, LTD, UNDP, CARE INDIA, FORD FOUNDATION, BHARAT RURAL LIVELIHOODS FOUNDATION (BRLF), AZIM PREMJI FOUNDATION, BENGAL FINANCE AND INVESTMENT PVT LTD AND RELIANCE FOUNDATION.

## CHAPTER-II

### AGRICULTURE PRODUCTION CLUSTER (APC)

#### About the Project:

Agriculture Production Cluster (APC) is a project of Department of Agriculture and Farmer Empowerment, Govt. of Odisha in high land region of Odisha funded by Odisha Livelihood Mission (OLM) of Panchayati Raj and Drinking water department, APICOL in partnership with Bharat Rural Livelihoods Foundation (BRLF) and PRADAN. The schemes available with Directorate of Horticulture, ATMA, Mission Shakti, OAIC, OLIC, Veterinary and other relevant departments are converged for creation of livelihood infrastructure required for the farmer. Hence, it is a collaborative effort by Director of Horticulture and Odisha Livelihood Mission with support of BRLF and 17 NGOs.

#### Objectives of the Project:

1. Trigger growth in farm sector with the objective of sustainable double the income of 3000 small and marginal farmers in the

backward highland Muribahal block of Odisha.

2. To establish the model of Agriculture Production Cluster in 40 backward blocks of the state, as an effective method to organize production system and service of market.

#### Project location:

APC project was initiated in the month of November 2018. Janamukti Anusthan is **implementing the Project in 30 villages under 6 Gram Panchayats** (Dangarpada, Lakhana, Ganrei, Gadgadbahal, Haldi and Patrapali-A) of Muribahal block covering a total of **3012 households**.

#### Progress during the year 2022-23:

**1. Promotion of PGs:** JMA team has formed 23 PGs consist of total 3012 members. All PGs has opened/ received IBCB, WC and BT account. A total of 13 and 7 PGs have received IB-CB grant

from OLM and Mission Shakti respectively, whereas 13 PGs have received working capital from OLM. All PGs has selected Udyog Mitras who are actively being involved in PG promotion activities. Capacity building training has been provided to PG on their roles and Responsibilities, Book Keeping, MPM and livestock. 87% women have received institutional credit through SHG and bank.

**2. Agriculture and Horticulture:** 20 PGs (out of 23) followed synchronized production, collective farming as per APC principles. As per the target, 99% HHs covered in high value crops during the reporting year, of which 60% HH received agri inputs through AE/ Krushi Mitra. 20 PG are involved in sorting and grading and 72% farmers collectively sold Bitter gourd, Banana, Onion, Brinjal, Tomato, Long beans, Chilli and Ivy gourd etc. through the PC. Apart from this, 85 families were linked with fruit plantation in 75.25 acres. Pradan has provided material support for seed unit that is being run through AE model.

**3. Setting up of aggregation centers and storage structures:** With the support of Directorate of Horticulture, 3 numbers of onion storage structures has been constructed. Whereas, 2 structures have been constructed by Millit Utthan Producer Company with the financial support of JMA and Pradan during the reporting period. Total 8 Sabjee cooler has been installed in 8 different PGs. So, PG members are used to store surplus vegetables in Sabjee Cooler and selling next day in good price.

**3. Setting up of PCs:** One PC named “Millit Utthan Farmers Producer Company Limited” has been registered. During the reporting period, the PC has worked on share capital generation, input & output business during Kharif and Rabi season. PC has received GST,

seed licenses and in the process to apply for fertilizer license. Total turnover of the PC during the financial year 2022-23 is Rs. 34.65 lakhs. The PC received grant support of Rs. 17.6 from Mission Shakti during the reporting period.

**4. Adoption of NPM based practices:** During the reporting period, 962 families have used Jevamruta, Ghanajeevamrita, Bijamruta, Agniastara, Neemastra, Mathstraand in 677 acres of land. With the support of NPM network, farmers are being trained by the JMA staff about NPM through Farmer Field School (FFS). 4 NPM cluster has been supported by N+3F. The members in the cluster are preparing NPM products and supplying to PG members. Pradan has supported for 1 NPM unit that is being run by an AE.

**5. Developing irrigation and other infrastructures:** During the reporting period, 2 CRLP, 88 farm ponds, 24 Ring wells and 43 other irrigation structures have been completed. Through all completed structures, 513.5 acres of irrigation potential created covering 566 households.

**6. Livestock development:** During the reporting period, JMA has been working with 7 livestock PGs intensively and carried out de-worming and vaccination activities through livestock coordinator and existing Prani Mitras in collaboration with veterinary department. Those 7 PGs have followed livestock calendar that enlisted key activities to be adopted. JMA has also conducted trainings for livestock beneficiaries and Prani Mitras on “diseases and infertility” through organization staff as well as external resource person (organised by horticulture with the support of Mission Shakti). All BYP and goat sheds have been construction through community contribution.

**7. Capacity Building of staff, community, cadres, PRIs:** JMA has conducted different trainings to enhance the capacity of PG, Prani Mitra, Udyog Mitra and Krusi Mitra. Trainings on NPM, livestock rearing, PC share generation and crop PoP has been provided at the community level. Vision building trainings has been conducted for PG leaders. For CSO staffs, the Programme Secretariat and N+3F provided trainings on NPM, value chain & market strategy, integrated livestock rearing, PC share generation, important Government Schemes & its convergence modalities. The Pradan team has visited to JMA and provided physical supports at the grassroots level, and also conducted regular weekly and monthly review meeting.

**8. Interaction with Stakeholders:** For better coordination with line departments, regular planning and review meetings has been organized at the block as well as district level. During the reporting period, 12 meetings with block line departments and 5 BTT has been organized and discussed on project's progress time to time.

#### **9. Major challenges faced:**

- **Receiving of fertilizer license:** As it requires a science graduate with Chemistry subject, we did not get a person like that in the project location during last 6 months. But now we have found a person has applied for fertilizer license. its pending from source approval.
- **Delay in paddy seed input business:** PC could not achieve the target of paddy seed business during Khari season due to delay in receiving seed license. So managed the situation through local vendors.
- **Decrease of BYP price during Nuakhai:** Explored more local markets and sold the product.

- **No approval for BYP and goat shed under MGNREGA:** Promoted low cost poultry & goat shed through Community contribution.
- **Generating minimum 10% Profit from output business:** Trying to explore more markets and buyers so as to increase the bargaining power.
- **Shareholder mobilization to achieve the target:** Strategies adopted to involve Udyog Mitras, active PG member, BODs and CRP of OLM and conducted SHG meetings and door to door visit to achieve shareholder targets.

#### **10. Key learning:**

- Exploration of distance markets, onion storage process and engagement of PC through exposure visits.
- Reorganization and appreciation to best PGs with highest shares in AGM reflected positively in other PGs.
- PC share increased as the team started meeting in small group rather than large group and mobilized share at SHG level.
- Possibility of PC share collection depends on the density of our engagement with members.
- Beforehand plan are required for proper PC business.

#### **11. Key Innovations:**

- Onion storage structure of RMC being used by the Producer Company.
- Promotion of Bhadi (goat shed) in cluster.
- Distribution of share certificate in group in the presence of any BLCC members.
- PG members are using multi line sprayer which is helping them to reduce cost of production.
- Replications of vermin wash structure through AE model.

## Glimpse of the Year

**Demonstration of NPM**

**Received seed license from the DDH**

**Vermi wash production through AE model**

**Distribution of share certificate**

**Collective marketing of onion through PC**

**CRLP site of Maa Ghantasoni**

**AGM of Milit Utthan PC**

**Input business through PC**

**Creation of new irrigation infrastructure**

**Visit of BRLF to Chick unit, Sarala PG**

**Visit of Sub-Collector to Maa Ghantasoni PG**

**Crop planning activity**

## CHAPTER-III

### **Livelihood Support for Migrants & Vulnerable Households (Sponsored by Bengal Finance and Investment Pvt. Limited)**

With the support of Bengal Finance and Investment Pvt. Ltd for CSR activities, Janamukti Anusthan started the project titled “**Livelihood Support for migrants and vulnerable households in Muribahal block**” on 1<sup>st</sup> January 2022 and continued till 31<sup>st</sup> December 2022. During the reporting period, JMA designed specific livelihood plan for selected project beneficiaries to enhance their livelihood through project interventions.

#### **Type of livelihood supports provided:**

**1. Oil extraction unit:** An oil extraction unit of Rs. 120000/- was supported to Maa Mahalaxmi Producer Group of Karlapita village (a tribal village) of Haldi GP. It has been planned with the Producer Group to process oil seeds and sell through Producer Company. The group has contributed Rs. 11000/- as community contribution.

**2. Onion storage structure:** Supported onion storage structure to Smt. Padmini Chhura (SC) of Bijghat village of Lakhna GP. Smt. Padmini Chhura is a migration returnee. During the reporting year she cultivated onion and stored in the structure for couple of months during distress sell. **Support amount is Rs. 50,000.**

**3. Tailoring Machine:** Supported one tailoring to Smt. Belamati Nag (SC) of Salepada village. Smt. Belamati Nag is a migration returnee. Now she is engaged in tailoring work earning some income. **Support amount is Rs. 15,000.**

**4. Mobile Petty Business:** Supported **Rs. 20,000** to Mr. Seshadev Nag (SC) of Salepada village. He has started business and earning good profit.

**5. Grocery Unit:** Supported **Rs. 20,000** to Smt. Bhanumati Benia (SC) of Dumerpada village. She has also started business and earning good profit.

**6. Support for Poultry Shed:** Supported 4 poultry sheds to livestock beneficiaries of Bijghat village of Lakhna GP name as Gomati Chhura (SC), Nirupama Bhoi (ST), Tekani Bhoi (ST), Amira Bhoi (ST). All beneficiaries were supported with an amount of **Rs. 5000 each**. All have constructed their unit and that are helping to maintain hygiene of their livestock.

**7. Support for Goat Shed:** The beneficiary was supported with an amount of **Rs. 15000**. He has constructed the unit and that is helping to maintain hygiene of their livestock.

**8. Vegetable Market Outlet:** Established one vegetable market outlet at market complex of Muribahal. The operational responsibility of outlet was handed over to Milit Utthan Producer Company. The company is purchasing NPM vegetables from Producer Groups (PGs) and selling. The company has engaged a women farmer in daily basis for selling vegetables in the outlet.

## Glimpses of the Year

**Inauguration of Vegetable Market Outlet**

**Grocery unit of Bhanumati Benia**

**Support of tailoring machine to Belamati**

**Support of BYP shed**

**Oil extraction unit at Karlapita village**

**Goat shed structure**

## CHAPTER-IV

### VACCINATION SUPPORT PROGRAMME

**Sponsored by Azim Premji Foundation (Philanthropic Initiatives)**

While the rapid development of vaccines against COVID-19 is an extraordinary achievement, successfully vaccinating the entire population of Muribahal block presents many challenges. In Odisha, the Covid vaccination drive for above 45 years people started from April. But, the Muribahal block achieved only 57.31% of first dose and 11.44% of second dose completion rate as per the baseline report. Whereas, for people within the age group of 18-45, the achievement rate was only 61.5% and 15.19% against first and second dose respectively. Janamukti Anusthan, as a

civil society organization came forward to support the public health system to undertake the historic task of vaccinating whole eligible populations of Muribahal block. During first and second waves, the organization has successfully responded to covid-19 through relief services for critically affected people in the block with the support of Bharat Rural Foundation Livelihood foundation and Azim Premji Foundation followed by extending possible support for vaccination drive programme, which was executed from 9<sup>th</sup> December 2022 and continued till May 2023.

**Objective:** The key objective of vaccination programme is to support the block administration to ensure 100 percent vaccination of eligible population within the period of 6 months.

**Major interventions under taken during April and May 2023:**

1. Conducted vaccination camps through additional vaccination team supported by the project.
2. Provided vehicle facility for disabled and elderly people to reach the camp site.
3. Door to door vaccination activity by the team.
4. Mobilization and empowerment of communities through Tika Sathi to generate strong vaccine demand and address misinformation and misperceptions that contributes to vaccine hesitancy.

5. Publicity through Miking and Awareness Rath before one day and on vaccination day.

6. Pre and post Door step counseling on vaccination by the Tika Sathi on symptom reporting and vaccine hesitancy.

7. Follow up for second dose of vaccine.

**Achievement of Block as on 25<sup>th</sup> May 2022:**

Age group	Dose	Target	Cumulative achievement	%
12- 14	1 <sup>st</sup>	4450	3926	88.22
	2 <sup>nd</sup>	3926	2209	56.27
15 -18	1 <sup>st</sup>	7120	5846	82.11
	2 <sup>nd</sup>	5846	3913	66.93
18 above	1 <sup>st</sup>	92877	74857	81
	2 <sup>nd</sup>	74857	56553	76

**Glimpses of the year**

Vehicle facility for disabled person

Vaccination of school children

Vaccination at door step

Sharing before the minister Sadhvi Niranjana Jyoti

Vaccination of disabled person

Camp visited by the Secretary, JMA

## CHAPTER-V

### “Improving the Self Reliance and Resilience of Rural Communities”

#### Sponsored by Reliance Foundation

With the support of Reliance Foundation, Janamukti Anusthan is implementing the project in Muribahal, Saintala, Deogaon and Gudvela blocks of Balangir district covering a total of 101 villages under 20 GPs and 16630 households. First phase of the project was started on 17<sup>th</sup> August 2022 and ended on 31<sup>st</sup> March 2023. During the reporting period, major activities were carried out under 3 specific themes as mentioned below.

#### Theme wise activities and outcomes:

##### 1. Climate Resilience and sustainable development (CR4SD):

- **Climate adoption:** Mass awareness generation events on GPDP and climate resilience as well as campaign on national priority programs were conducted. 23 GPs integrated climate adaptations measures in Gram Panchayat Development Plan (GPDP).
- **Water resource development:** Community level trainings and participatory exercises as well as functionaries training were conducted to develop village level water resource development plan. 32 villages' prepared participatory water resources development and management plan. Through gap funding, 21 villages improved access to safe drinking water. Different type of works such as drinking water supply to school and AWW center, water supply to village, Pipe repairing work, motor fitting and construction of Tube well chandini etc were done through gap supports.
- **Climate smart agriculture:** Stakeholder's and key functionaries' awareness created on climate smart agriculture. 16 villages

developed awareness on climate smart agriculture.

- **Nutrition:** Village level awareness generated on balance nutrition, Reliance Nutri-garden and diversification of food basket. Numbers of 18 villages are aware on nutrition management. 261 Nutri-gardens established at the community as well as household level. Families grown vegetables in Nutri-garden through NPM practice.

##### 2. Integrated Value Chain Development (IVCD):

- **Improved production Practice:** Farmers adopted improved production practices by using Neem oil, Trichoderma, Sagarika, Nano uria, vermin wash, mulching and drip irrigation etc. Vermin composts have been prepared in convergence with forest department. A total of 175 hectares area covered under improved production practices and new agriculture technologies. During the reporting period, 446 producers have accessed services from Farmer Producer Company.

##### 3. Diversifying Rural Incomes via Employment (DRIVE):

- **Livelihood training and entrepreneurship:** A total of 69 SHGs have been trained on diversified livelihood options. Consequently, a total of 185 individuals and 662 women have taken up different Income Generation Activities (IGA) such as mushroom cultivation, scented stick making, chick rearing, sauce making & Tailoring training, and earned good profit from selling their respective products.

- **Linkage camps:** Conducted SHG linkage camps for financial inclusion, as a result a total of 83 SHGs facilitated with access to finance through institutional linkages carried out agriculture, livestock and business related activities.
- **Skilling and Employment:** Through job fare and livelihood linkage camps, 11 individuals

and 132 women linked with skilling & employment opportunities in non-farm sector.

- **Financial Inclusion:** Conducted awareness meetings on financial inclusion at community level. A total of 1438 individuals impacted with financial inclusion.

### Glimpses of the year

Mass awareness through cultural team

Bori Bandhan structure

Access to safe drinking water

Adoption of technology-mulching & drip

Job fare event

Demonstration of vermin wash

Reliance Nutri-Garden

Promotion and distribution of Neem oil

SHG involve in chick rearing

SHG making scented stick

SHG involved in mushroom cultivation

## CHAPTER-VI

### Annual General Body Meeting

General Body Meeting of Janamukti Anusthan for the Financial Year 2022-23 was held on dated 28.03.2023 at Tentulikhunti village of Muribahal block. A total no. of 70 general body members participated in the programme. Shri. Baikuntha Banchhor, president of Janamukti Anusthan, presided the meeting. Whereas Shri. Bhajaram Sahu, Secretary, presented the annual progress report of FY: 2022-22 and Smt. Subarni Bag, Treasurer, presented the Annual Financial report (2022-23). Apart from this following are couple of important decisions that resolved unanimously.

1. Appointment of Statutory Auditor for Financial Audit of the organization for FY 2023-24.
2. Preparation and approval of Plan and Budget of the organization for FY 2023-24.

## CHAPTER-VII

### Case Studies / Impact Stories

#### 1. Kruti Krushak- Smt. Baidei Pattnaik:

Smt. Baidei Pattnaik, w/o-Gauranga Pattnaik Resides in Tentulikhunti village of Haldi Gram Panchayat under Muribahal Block. She lives in the village with her husband and 3 sons. Earlier they did not have single piece of land in the village, therefore she was migrating to Raipur with family and used to work in a farm for long time. But time came once she realized the importance of her children's education and decided to stay in the village to start a new life with agriculture activities. She took a lease land of 1.5 acres and cultivated cotton, pulses and vegetables. Meanwhile Janamukti Anusthan identified her as a self motivated farmer and provided end-to-end support in vegetable farming in collaboration with line departments. With the support of JMA and different line departments, Mrs. Pattnaik adopted improve production interventions and expanded her vegetable cultivation area to additional 1.5 acres. Under the project she was supported with mulching sheet for 1 acre of chilly cultivation, 2 units of vermin wash structures,

Nano Urea 500ml, Sagarika 10kg and Trichoderma 1 kg. She is practicing NPM in 3 acres of her land. Recently she received state level **Kruti Krushak** award for adopting new technologies.

Farmers from other villages had an exposure to her field and got inspired in mulching and drip technology. Her life has been changed today. She is earning more than 4 lakhs per annum and children are pursuing higher education.

**Impact:** She earned Rs. 63000/- last year cultivating chilly in 0.5 acres (without mulching). But this year she is expecting Rs. 200000 from 1 acres of chilly cultivation with mulching. Due to mulching intervention, she could save the extra labour cost that comes around Rs. 32000, "Smt. Pattnaik said". There was higher chance of disease and pest attack last year, but this year due to mulching practice the risk has been minimized, "she added". As part of NPM practice, especially in chilly field she has been using Trichoderma, cow dunk, sagarika, jeebamutra, vermin wash, bio products (Agri 82, Agri humig, Agri moss etc). She is very happy to be a women farmer and thankful to APC and Janamukti Anusthan for their support and guidance.

## 2. Case Study of Puspa Patra- A successful Banana cultivator:

Dandra is one of the village of Dangarpada GP of Muribahal Block, Balangir district. Most of the people of this village depends on daily wage for their livelihood.

Smt. Pushpa Patra, 34, W/o Jagneswar Patra lives in Dandra village with her husband and 2 children. She is a member of Maa Santoshi SHG as well as an active member of Jyotirmayee PG. She have an agricultural land of 2.5 acre. But they were not cultivating vegetables as her husband works in a factory in Kantabanji as a daily labour. During the crop planning in a PG meeting, Smt. Puspa was encouraged by the JMA team to plan fruit plantation. Finally she agreed and planted Banana (G 9 variety) in 1.5 acre in convergence of horticulture scheme. Later on she was promoted and trained for intercropping of vegetable with banana plantation.

Along with Puspa, another 5 members of Jyotirmayee PG also planted banana in 5 acres. This year, 3 more PG members got inspiration and started banana plantation in 2.5 acres. The staff of “Janamukti Anusthan” organised collective marketing of

vegetables & Bananas in Jyotirmayee PG.

First collective marketing was done on 5<sup>th</sup> April 2022, where Smt. Puspa sold 2865 KG of Banana at the rate of Rs 11.00 per KG and earned total amount of Rs. 31515.00. She is very excited to sell her produce in good price through collective marketing. A sabjee cooler has also been installed by APC project in Pushpa Patra’s house that helps her to decrease the amount of wastage of vegetables & Bananas. During the reporting period, she earned upto Rs. 84700 from vegetable and banana selling.

***“Because of all the steps taken by JMA staffs, I have been able to increase my family income and therefore would like to thank BRLF, APC projet & Janamukti Anusthan” Pushpa siad in odia.***

### 3. Improved access to safe drinking water under the support of Reliance Foundation.

Contaminated water and poor sanitation are linked to transmission of diseases such as cholera, diarrhoea, dysentery, hepatitis A and typhoid. Appropriately managed water and sanitation services exposes individuals to preventable health risks. Rural villagers have insufficient access to purified drinking water due to impact of low income, technical solutions, community internal management and water contamination from waste disposal. Considering the situation in project location of Janamukti Anusthan, with the support of Reliance Foundation under line item of gap funding, initiatives has been taken up to provide safe drinking water to the project participants. In this connection, a total of 21 dilapidated structures has been rejuvenated covering 21 villages under 15 GPs of 4 blocks. Out of 21, 11 structures have been rejuvenated at institution levels such as Schools and Anganwadi centers, whereas rest of the

structures were rejuvenated at the village level. At both level the project supported in terms of materials such as roll pipe, CBC pipe, electric wire, service pipe, motor, supply wire, supporting wire, stater box, syntax, controler, main switch, cement bags, metal, sand, brick chips, tiles and tubewell cylender. As a result of which, presently a total no. of 585 children at institutional level and 921 households have improved their access to safe drinking water from 21 villages. Project's contribution in terms of financial support is Rs. 476329.00 and rest of the expenditure met from community contribution.

It has created a great impact at the village as well as institutional level. Community members are very happy with this intervention and thankful to Reliance Foundation and Janamukti Anusthan.
